## THE SHAKEN BABY ALLIANCE

The Shaken Baby Alliance’s (SBA) mission is to provide SUPPORT for victim families and professionals, PREVENTION of child abuse, and JUSTICE for the innocent victims.

On January 28, 1994, Bonnie Armstrong made a promise to her shaken and beaten daughter Tiffany as she lay in the ICU. If she would breathe, Bonnie would make good come of evil. Both kept their promises. Tiffany is now 24, and a Special Olympics Athlete and Bonnie is now the Executive Director of SBA. Bonnie combined her talents with two other moms whose children were diagnosed with Shaken Baby Syndrome (SBS) and they co-founded The Shaken Baby Alliance, a 501 (c) 3 organization in April 1998.

For 20 years, we have served over 4,800 family members, educated over 16,700 professionals, trained over 5,800 high school students in preventing Shaken Baby Syndrome, and since 2001, provided 1,821 case consultations for law enforcement and legal professionals. Together, with the best child abuse professionals in the world, we have built The Shaken Baby Alliance into the agency it is today.

We need your support to continue serving the families and professionals who contact us for services.
